

Curious about working in Financial Crime Prevention?

# But don't know where to start?

AML sounds exciting – but also complicated, full of acronyms, and hard to access if you're new.

**Swipe to get your starting point**

# The overwhelm is real

“AML, Sanctions, CDD, QA, SARs...

I keep seeing these terms but have no idea what they mean or how to get in.”

You're not the only one – and no one gives you a map.

## This course was built to give you one

The FinCrime Career Accelerator is a step-by-step entry point.

- ✓ Plain English explanations
- ✓ Practical breakdowns of each role
- ✓ No prior experience required

It's built for newcomers who want real clarity and structure.

## What students are saying

“This gave me the foundation I needed to understand the AML world.

Now I actually know how things connect — and where I want to go next.”

— Course Participant
